## Mobilitätsbildung für Jugendliche der 7./8. Klasse

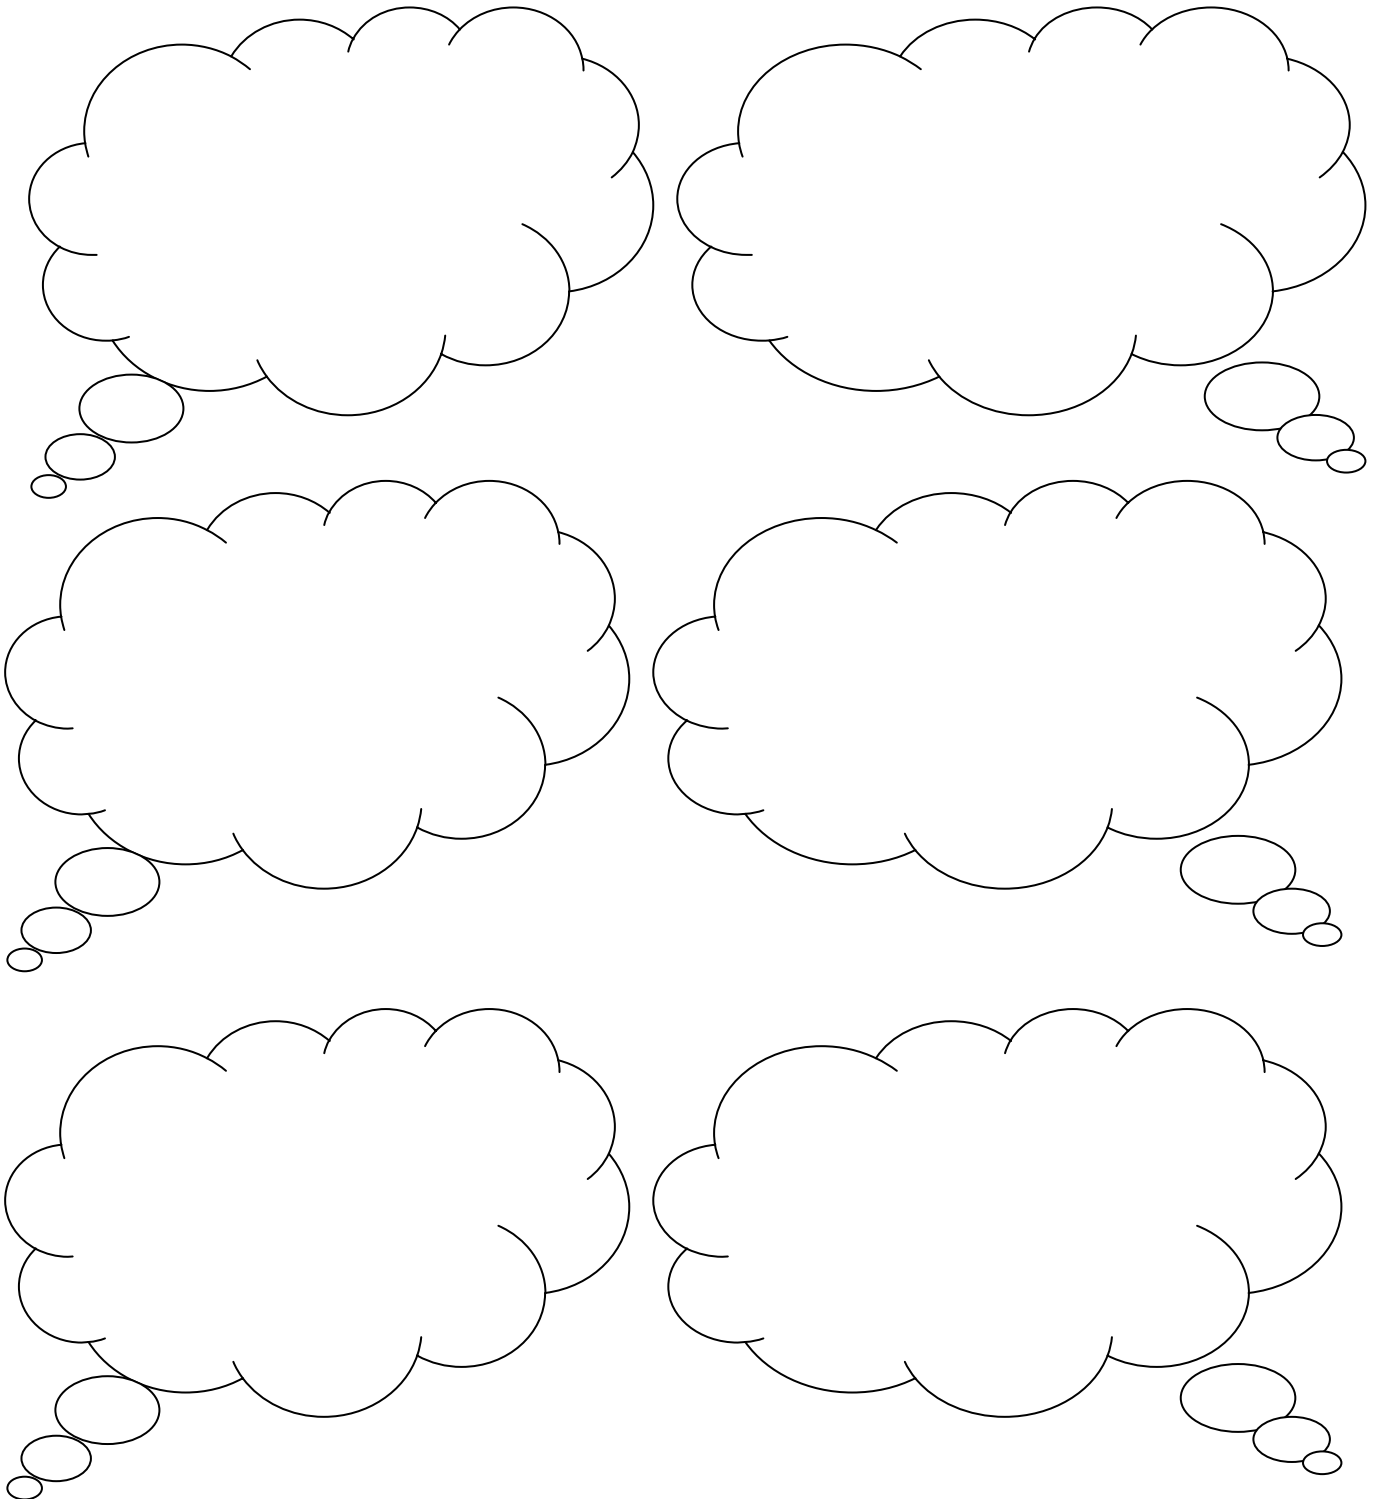

# Ins Rollen bringen.....

## Mobilitätsbildung für Jugendliche der 7./8. Klasse

The page contains 18 empty thought bubbles arranged in a 6x3 grid. Each bubble is a large, cloud-like shape with a scalloped border, connected to a series of three smaller circles that trail off to the bottom-left or bottom-right, depending on the bubble's orientation. The bubbles are intended for students to write their thoughts or responses during a role-play activity.
